

Declaration of Conformity:

Subject: REACH & RoHS compliance

Dear Customer,

At the time being, Prysmian Group Norge ensure that materials purchased for manufacturing the cables have been controlled the compliance with the relevant REACH obligations and RoHS, with aim to avoid provision disruptions.

EU Directive (2015/863/EU) RoHS 3

Prysmian Group NO confirms that hazardous substances regulated by the EU Directive 2015/863/EU (RoHS 3) are not intentionally used in the manufacturing of our current range of cable products and compounds.

REACH legislation

All cables produced by Prysmian Group Norge AS, under the brand name Draka, comply with the REACH legislation.

REACH also focuses on “Substances of Very High Concern (SVHC)” (carcinogenic etc). To the extent of disclosure by our vendors with respect to the chemical composition of all these ingredients, and to the best of our knowledge, none of products contain substances included in the list of “Substances of Very High Concern (SVHC)” released in January 2021 above a concentration of 0.1% weight by weight”.

Prysmian Group Norge 2021
